The Claves is a collection of one and two-bedroom apartments and penthouses set around a residents' only 'secret garden'.

The Claves, Inglis Way, London NW7

Focused on your complete wellbeing, here you'll enjoy a lifestyle every bit as impressive as your new home

An exclusive and green escape from the pace of London life, The Claves has been created to offer the very best in comfort and convenience. In fact, its immaculately finished apartments are just the start of all it has to offer, thanks to The 1855 Club's superb amenities.

A tribute to the Royal Engineers' time at Inglis Barracks, on which The Claves stands, The 1855 Club was named after the year that this esteemed regiment was welcomed into the Army's command.

The picturesque gardens have been planted to come alive as the seasons change. The concierge area has been designed to leave a lasting impression on all of its visitors. Then there are the media and games rooms, which are perfect for entertaining.

The fully equipped gym ensures a workout is always within reach, while the residents' lounge is an informal workspace for when you don't fancy the commute. At The Claves, home is about how you live as much as where you live.

### **Concierge Lobby**

As well as warmly greeting your guests, our concierge service will assist with tasks including parcel handling and key holding.

### Residents' Lounge

### Gym

Fully equipped with a selection of equipment and free weights, whatever your fitness goals, the gym puts a workout on your doorstep.

Enjoy the freedom to workout or play at your leisure

### **Games Room**

With a pool table, dartboard, large television, table football and a variety of seating areas, our games room is an extension of your home and perfect for entertaining or relaxing with friends.

### Media Room

Whether you want to watch the big game or a classic movie, with our media room's sumptuous furnishings you couldn't ask for more.

# London life at a distinctly more pleasant pace

Surrounded by woods and parkland, Mill Hill's tree-lined avenues and quaint village high street are almost at odds with the ease at which you can reach central London. Yet everything you need is close to hand.

For your essentials, there's a Co-op a short walk away and a Waitrose just by Mill Hill East station. While Mill Hill Broadway's shops, restaurants and cafes are only a short drive. As is Brent Cross Shopping Centre.

As well as a relaxed ambience, the wealth of open space offers lots of possibilities for your leisure time. Finchley Golf Club is just moments away. A host of others aren't much further.

Add to this, equestrian centres, the Welsh Harp Reservoir's watersports, rambling walks and great country pubs – if you prefer to admire greenery over a Sunday roast – and life here is most definitely for living.

# The lifestyle on offer at The Claves extends far beyond its grounds

### The Adam & Eve

A gastro-pub full of character which perfectly combines a seasonal, locally sourced Modern British menu with a traditional pub welcome and charming Victorian walled garden.

# Dollis Valley Walk & Mill Hill Country Park

Greenery is not something Mill Hill struggles for. It couldn't be easier to escape the hustle and bustle of London life, while enjoying stunning views of the capital.

### **Finchley Golf Club**

The nearest of the area's many golf clubs, Finchley Golf Club was designed by five time open champion James Braid and is regarded as the finest golfing challenge in North London.

### **Allianz Park**

Home to the Saracens, a wealth of sports facilities, arguably North London's best fireworks display and a host of other events throughout the year, you'll be spoilt for choice at Allianz Park.

### **Bluebelles of Portobello**

With an interior as Instagram worthy as their food,
Bluebelles is the perfect brunch, lunch or coffee pickme-up spot.

# Highly regarded schools of thought for all ages

Home to the esteemed Mill Hill School and its supporting cast of sister sites, the area has a strong reputation academically. There are a host of fine schools, both state and independent, nearby. Equally, with The Claves' superb connections to central London, all of the capital's universities are readily accessible.

# Delivering great new places for you to live

From the attention we pay to every last detail of the homes and places we create, to the way we support our developments' communities at EcoWorld London, we always strive to achieve the highest possible standards. It underlines our belief in offering not just great homes, but a better quality of life.

To us, eco isn't just about being green. While we're mindful of our environmental impact, our goal is to create great places that are truly sustainable – creating communities for buyers and renters that grow and develop.

We don't leave when the building work finishes either. We stay involved, ensuring our communities grow and thrive. Our focus on design is just as long term, and as important as materials are, we believe design is about far more than the finishes we use. It's about the way a home works.

We continually talk to our customers, seeing how they live to find ways to improve and adapt our approach. Only by really understanding what makes a home can we make our developments all they can be.

EcoWorld London is part of EcoWorld International Berhad (EcoWorld International), a real estate developer listed on the Main Market of Bursa Malaysia Securities Berhad. EcoWorld London is also partly owned by the Willmott Dixon Group.
