Enjoy the freedom to workout or play at your leisure

Games Room

London life at a distinctly more pleasant pace

Surrounded by woods and parkland, Mill Hill's tree-lined avenues and quaint village high street are almost at odds with the ease at which you can reach central London. Yet everything you need is close to hand.

For your essentials, there's a Waitrose just by Mill Hill East station. While Mill Hill Broadway's shops, restaurants and cafés are just a short drive. As is Brent Cross Shopping Centre.

As well as a relaxed ambience, the wealth of open space offers lots of possibilities for your leisure time. Finchley Golf Club is just moments away. A host of others aren't much further.

Add to this, equestrian centres, the Welsh Harp Reservoir's watersports, rambling walks and great country pubs – if you prefer to admire greenery over a Sunday roast – and life here is most definitely for living.

The lifestyle on offer at The Claves extends far beyond its grounds

The Adam & Eve

A gastro-pub full of character which perfectly combines a seasonal, locally sourced Modern British menu with a traditional pub welcome and charming Victorian walled garden.

Dollis Valley Walk & Mill Hill Country Park

Greenery is not something Mill Hill struggles for. It couldn't be easier to escape the hustle and bustle of London life, while enjoying stunning views of the capital.

Finchley Golf Club

The nearest of the area's many golf clubs, Finchley Golf Club was designed by five time open champion James Braid and is regarded as the finest golfing challenge in North London.

Allianz Park

Home to the Saracens, a wealth of sports facilities, arguably North London's best fireworks display and a host of other events throughout the year, you'll be spoilt for choice at Allianz Park.

Bluebelles of Portobello

With an interior as Instagram worthy as their food, Bluebelles is the perfect brunch, lunch or coffee pick-me-up spot.

Highly regarded schools of thought for all ages

Home to the esteemed Mill Hill School and its supporting cast of sister sites, the area has a strong reputation academically. There are a host of fine schools, both state and independent, nearby. Equally, with The Claves' superb connections to central London, all of the capital's universities are readily accessible.

Delivering great new places for you to live

From the attention we pay to every last detail of the homes and places we create, to the way we support our developments' communities at EcoWorld London, we always strive to achieve the highest possible standards. It underlines our belief in offering not just great homes, but a better quality of life.

To us, eco isn't just about being green. While we're mindful of our environmental impact, our goal is to create great places that are truly sustainable – creating communities for buyers and renters that grow and develop.

We don't leave when the building work finishes either. We stay involved, ensuring our communities grow and thrive. Our focus on design is just as long term, and as important as materials are, we believe design is about far more than the finishes we use. It's about the way a home works.

We continually talk to our customers, seeing how they live to find ways to improve and adapt our approach. Only by really understanding what makes a home can we make our developments all they can be.
